Professional Education:

Master of Business Administration – Ohio Dominican University, Columbus, Ohio
B.S. in Business Administration – La Salle University, Philadelphia, Pa.

Professional Corporate Summary:

Insurance Agencies of Ohio / Albers Dancer Insurance Agency Inc.

I have worked in the insurance industry for over 35 years. I began my career as a property and casualty field claims adjuster. I progressed through several office and management positions including product development, sales management, and underwriting, prior to starting my own Independent Insurance Agency 30 years ago.

I am currently a partner and owner of that agency providing insurance products and consulting services to medium and large commercial insurance buyers throughout central Ohio and South Carolina.

Professional Teaching Experience:

Ohio State University

January 2019 - Present

I am currently an adjunct instructor of Insurance and Risk Management in the Fisher School of Business. I teach courses in Commercial Insurance and a course in Personal Insurance. I have broad experience in underwriting commercial business as well as claims, underwriting, policy coverage and loss control practices.

I previously taught Agribusiness Corporate Finance in the Agriculture Development and Economics School.

Course taught at Ohio State

- AEDE 3103 – Principles of Agribusiness Corporate Finance
- BUSFIN 4310 – Understanding Commercial Insurance & Risk
- BUSFIN 4311 – Personal Insurance
- BUSFON 3300 – Principles of Insurance

Columbus State Community College – Annual Contracted Faculty

January 2010 to 2023

I was the Lead Instructor for the Corporate Finance courses and The Principles of Risk Management and Insurance course at Columbus State Community College. As Lead instructor for these courses, I was responsible for revising the syllabus and the course calendar, adoption of new textbooks, and updating and adding content to the course curriculum.

I created and taught Principles of Insurance at two local colleges over the past 15 years. The insurance course at Columbus State led to a Certificate of Insurance designation.

Finance courses taught at Columbus State:

- Personal Finance – FMGT 1101
- Corporate Finance – FMGT 2201 (Lead instructor)
- Fundamentals of Investments – FMGT 1211
- Principles of Risk Management & Insurance – FMGT 2232 (Lead Instructor).
- Finance Capstone – FMGT 2299

Ohio Dominican University - Adjunct Instructor

November 2005 to 2010

I taught several finance and management courses at the undergraduate, graduate, and the adult education program. Teaching was in a classroom setting.

Finance courses taught:

- Finance for Managers – FIN 570 (Graduate Level)
- Risk Management and Insurance – FIN 435
- Managerial Finance – FIN 325
- Fundamentals of Investments – FIN 310
- Personal Finance – FIN 110
